## GREETINGS FROM ANDREW AND TERRY

This report is very short as there is not a great number of missions stories to share this quarter.

I have been in Canada since May 7th now, working to raise funds for our mission in Africa. Terry has adapted to life as a single parent living in Uganda with 2 children. I will return home at the end of November and we are both looking forward to reuniting the family and getting back to work.

During my time in Canada, I have had the opportunity to share extensively with people from a number of churches, as well as with my co-workers. It's been interesting to see how much people enjoy being part of the adventure. It's also been amazing to see how willing people are to engage practically to get the work done. So many people here in Canada have provided materials and funds to help people in need on the other side of the planet. Amazing!

Time on the ground in Canada has also allowed me to engage with the Children Arise stakeholders to continue growing who we are and what we do. I am encouraged to see people engaging to take this little society to the next level.

We greet you all, and offer our thanks for your prayers and partnership !!
